of Correction

**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT
PURSUANT TO 37 C.F.R. §1.323**

Attn: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The patentees respectfully request that the U.S. Patent and Trademark Office issue a Certificate of Correction for the above-identified U.S. patent, correcting the patent as noted in the certificate of correction Form PTO/SB/44 enclosed herewith in duplicate.

The error in the patent relates to the applicants' unintentional omission of an acknowledgement of certain U.S. government rights in the patent, which rights arise because the invention was made, at least in part, with U.S. government support. This proposed correction is of a clerical nature and is minor in character. The correction relates solely to acknowledging U.S. government rights in the subject matter of the invention. The scope and meaning of the patent are unaffected by the correction. Thus, the correction does not involve changes in the patent that would constitute new matter or would require reexamination. For the foregoing reasons, issuance of a certificate of correction pursuant to 37 C.F.R. §1.323 is respectfully requested. A check for \$100.00 in payment of the fee set forth in 37 C.F.R. §1.20(a) is enclosed herewith.

100.00 GP

JAN 11 2006

The applicants authorize the Patent and Trademark Office to charge any necessary additional fees due in connection with this Request for Certificate of Correction to deposit account no. 13 2855.

Dated: January 3, 2006

Respectfully submitted,

By 

Eric M. Brusca
